

Dear FCC,

Please keep K-LOVE (106.7) on the air in my area and not give priority to LPFM.

KLOVE serves my family and our community in many ways, one of which is to provide positive music to my 3 kids (where I don't have to worry about what is going to be said over the radio. AND UNLIKE MANY TV AND RADIO PROGRAMS THEY DO NOT NEED A 7 SECOND DELAY BECAUSE OF THE LANGUAGE THAT MIGHT BE HEARD.) (don't get me started on that).

If KLOVE were not in this area we would only listen to CD's and music we purchase, and would have no access to emergency messages that would be given on KLOVE if it were there.

I realise you have many comments to read, so I will cut this short, please keep KLOVE in this area.

thanks,  
Bob
